Funding Christian Charities & Churches

The national one-day conference on how to fund the revenue and capital needs of Christian organisations

Central Hall Westminster, London – 2nd November
10 am to 4 pm, followed by a networking reception

Attendance fee: **£85** per person including VAT, lunch, presentation materials and networking reception.

Funding Christian Charities and Churches

You and your colleagues are warmly invited to this, the first major conference focused specifically on helping Christian organisations to secure more funding, whether from donations, contracts for the delivery of public services or other income generating activities.

The event provides an unprecedented opportunity to hear some of Britain's wealthiest donors to Christian causes, case studies from the leaders of successful Christian charities and practical advice from experienced practitioners in fundraising for Christian causes. It should help you both to increase your revenue and fund major projects, such as new buildings.

This event is designed for chief executives, directors, trustees and fundraising teams from Christian charities - plus the ordained and lay leadership of individual churches, for whom we are running a special churches stream.

The event is supported by a wide range of Christian organisations and we are particularly grateful to Premier Christian Radio, the Evangelical Alliance, Faith Action, Global Connections, Mazars and Blackbaud for their help in creating and presenting this event.

Action Planning
