The Social Investment Business - Launch Conference

# Financing Growth in the Third Sector

Central Hall Westminster, Thursday 17th September, 10am to 1pm plus networking lunch

## The Social Investment Business: our vision for the UK's largest social investor

**Stephen Bubb** and **Jonathan Lewis**, Chairman and Chief Executive of **Futurebuilders England**, will set out the vision underlying the creation of The Social Investment Business, the new trading name for the Adventure Capital Fund (ACF) and Futurebuilders England, bringing together over £400 million of funds and programmes under one umbrella.

A half-day conference and networking lunch for **third sector chief executives, finance directors and trustees** on how social investors, Government and the private sector can ensure the third sector has access to investment finance to facilitate growth.

## The third sector and public service delivery

**Sir David Varney**, who served as the Prime Minister's Adviser on public service information, **Lord Victor Adebawale**, Chief Executive of Turning Point and **Rupert Evenett**, Board Member of Futurebuilders England, will examine how the sector's role in public service delivery is likely to develop and how charities can maximise their success in delivering statutory contracts.

The event will also examine the **future of public service delivery.**

## The role of Government

There will be a keynote address from a representative of the **Office of the Third Sector.**

There will also be a presentation by the **Rt Hon Francis Maude MP**, Shadow Cabinet member with responsibility for the third sector, on Conservative policy for working the sector.

## The European Social Investment Bank: Social Enterprise and Innovation

**Monsieur Hugues Sibille**, Director of Crédit Coopératif, one of France's largest banks, will share experience from continental Europe on providing investment finance to the third sector and explain how third sector organisations might benefit from the proposed European Social Investment Bank. The discussion will be chaired by **Harriett Baldwin**, Vice Chair of Futurebuilders England and Chair of Futurebuilders' Investment Committee.

Hosted by **Futurebuilders England** and presented in association with leading fundraising, management and recruitment consultants, **Action Planning.**

We would like to retain your address to send you invitations to future events and information on our work. Should you not wish to receive such communications, please tick here.

We would like to include your name, title and organisation (but not your address) on the delegate list. Should you not wish us to do this, please tick here.

### PROGRAMME

Futurebuilders England and Action Planning reserves the right to vary the published programme of speakers and the timing of the sessions.

## Financing Growth in the Third Sector

This special half-day conference will enable finance directors, chief executives and other third sector leaders to explore what more might be done by Government, social investors and the private sector to provide the investment finance which the third sector will need if it is to continue to grow, including the role of loans, equity and new forms of finance. It will also examine the future of public service delivery.

The event is hosted by **Futurebuilders England**, and presented in association with leading fundraising, management and recruitment consultancy, **Action Planning**. It marks the official launch of **The Social Investment Business**, the new trading name for the Adventure Capital Fund (ACF) and Futurebuilders England, bringing together all the funds and programmes they currently run under one umbrella. The conference will set out the vision for the Social Investment Business, which will be the largest social investor in the UK.

The aim of Futurebuilders England is substantially to improve the financial and strategic capability of the third sector so that it can play an ever greater role in improving the lives of the people and communities it serves. Futurebuilders provides loans, grants and a programme of sustained, flexible and individual

professional support to organisations that are delivering public services. [www.futurebuilders-england.org.uk](http://www.futurebuilders-england.org.uk)

Action Planning is a leading UK consultancy to the not-for-profit sector. It provides a combination of fundraising and strategic

consultancy, fundraising research, recruitment services and fundraising implementation to help third sector organisations to grow their income and fund major projects. The organisation also partners ACEVO, Futurebuilders England and other leading third sector organisations to deliver events on third sector strategy and funding.
